Declaration by Attending Rider/Driver.

I hold an appropriate Driving Licence and Insurance and understand that I am wholly responsible for ensuring that the motorcycle/vehicle which I am using, is safe, roadworthy and conforms to current Road traffic Law.

If I transport a pillion passenger, then I do so on the tacit understanding that I am insured as necessary. Furthermore, I agree that the organisers are exempt from any liability, third-party or otherwise which might occur as the result of an accident or misadventure during this event.

Should the organisers have concern over the suitability of my transport or fitness to drive, then I understand that I will not be permitted to start or continue in the event, as the case maybe.
